

If we don't stand up for quality public education & public services,

WHO WILL?

Whether you work for the State of Montana, a public school or university, city or county government, or a health care facility, **politicians affect every aspect of your job, every day.**

Their decisions affect your ability to do a good job for the Montana people you serve. They affect your salary, working conditions, medical coverage, retirement, and more.

Some politicians get it. Some politicians know that public education and public services make Montana and America strong—and some don't. Some respect you and the important work you do—and some don't.

Some ballot initiatives promote quality schools and public services—and some threaten our very existence.

We need to elect people who care about public

education, public services, and public employees. We need to maintain our voice in ballot issues that affect our members and the people they serve.

Together, with 18,000 MEA-MFT members across the state pitching in, we can make a difference.

MEA-MFT's Committee On Political Education (COPE) interviews candidates to find out which ones support our members and the important work they do. Then COPE helps these good people get elected.

Our national affiliates, NEA and AFT,* do the same on the national level.

Your support makes a difference! We are asking MEA-MFT members across the state to consider contributing \$2 a month to support MEA-MFT COPE, and \$1 a month for NEA and AFT. That's less than the cost of a cup of coffee and a donut.

For less than the cost of a coffee & donut each month, you can help **build a brighter Montana future!**

Here's how. ►

*NEA & AFT: MEA-MFT's two national affiliates: National Education Assoc. and American Federation of Teachers.

**For just \$3 per month,
you can make a difference.**

We need your help! MEA-MFT is asking each member to donate \$2 a month for MEA-MFT COPE* and \$1 a month for NEA FCPE/AFT COPE.** It's an excellent investment in your future. Please take a stand for public schools and public services. **Thank you!**
